

Safety Zone® Cast Polyethylene Shoe Covers, Embossed, Blue, X-Large, 16", 100/bg - 3 bgs/cs

These disposable shoe covers are made from durable cast polyethylene to provide reliable, lightweight protection in controlled or sensitive environments. Designed with a textured tread, they help improve traction on smooth or potentially wet surfaces, enhancing safety during use. The elastic opening ensures a secure and comfortable fit over larger footwear, while the extra-large sizing accommodates a wide range of shoe types. Ideal for food processing, janitorial, healthcare, and industrial applications, these blue shoe covers help prevent dirt, dust, and contaminants from being tracked into clean areas, supporting hygiene and cleanliness.

Key Features

- Cast polyethylene shoe cover with textured tread
