Multi-Purpose Tool

10019802

- 12-in-1 Multi-tool
- Innovative design
- Sturdy and versatile
- Portable and lightweight

Technical Details

Material Stainless steel

Packaging

10019802 1 per package

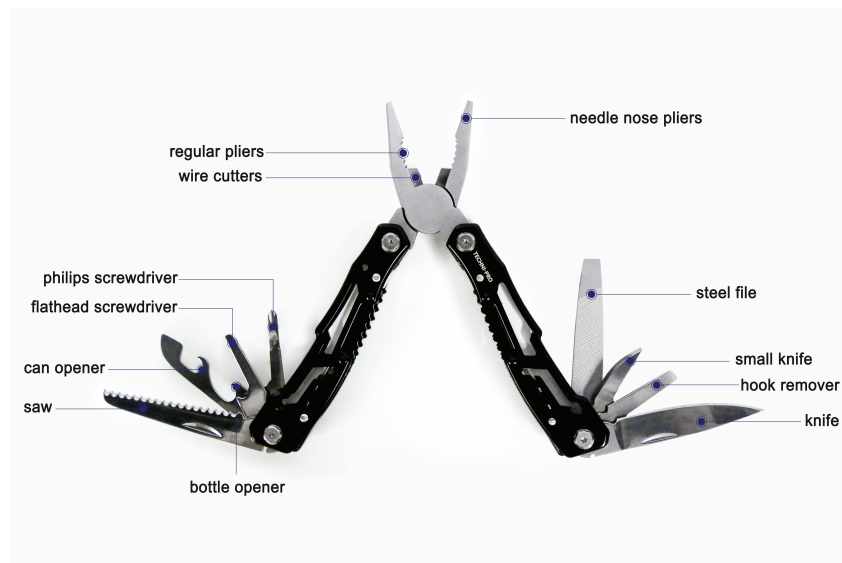

Product Information

The hollowed design of our multitool knife combines elegance and lightness. Inside the hollow space, a variety of gadgets are ingeniously placed, optimizing spatial utilization and enhancing convenience. Also, the multi-tool features four adjustment knobs, allowing you to customize the tension of individual tools for enhanced usability. These multi-tools serve as an excellent gifting option, embodying both form and function.

Crafted from premium stainless steel, our products exhibit exceptional robustness and longevity. They find extensive utility in mending diverse furniture items, ranging from computers and televisions to bicycles and more. Also, can be used during camping expeditions, fishing ventures, and various facets of daily life.

With compact size and foldable design, this folding utility tool is easy to store or keep in your pocket. The pocket multi-tool comes with a nylon pouch that allows itself to be strapped onto the belt loop and doesn't occupy space.

The folding utility tool seamlessly accommodates itself within storage spaces or comfortably within your pocket. This multi-tool, designed to be pocket-sized, comes complete with a nylon pouch that facilitates easy fastening to your belt loop without occupying undue space.
