Product Data Sheet

ESD-Safe Tape Dispenser, Holds 1 Roll 1" Wide with 3" Core

Part Number 758ST2601

General Specifications

Brand	Techni-Pro
Number of rolls	1
Ground cord	No
ESD safe	Yes
Cord Size	3"

Product Information

A high quality steel desktop tape dispenser comes with a weight rubber lined base to secure the dispenser to the work surface. The dispensers are compatible for tapes with a 3 in. core diameter and the maximum outside roll diameter that can be supported/held is 5 in., so it works perfectly with office supply tapes and ESD tapes. The extra-wide serrated blade reduces the working time required to align the tape with the cutting edge, which increases speed and efficiency. A pivoting blade guard pro-vides protection from accidental contact. When closed, it will also assist in keeping the tape secure from rolling back on itself.

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-Pro products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
