Product Data Sheet

Techni-Pro Rectangle LED Magnifier

10001084

Features

- 3.5 diopter (1.88x)
- ESD coating
- Touch membrane switch controls power and LED dimming
- 6500K color temperature
- Table edge clamp
- Metal articulating arm
- 43" reach
- 120V
- Black finish
- White optical quality glass ensures fatigue-free performance

Product Information

A touch-sensitive on/off switch adjusts brightness. Hidden springs and a 360° swivel lamp head allow you to fine-tune the magnifier's positioning for inspection at any angle. Built-in protective cover, optical grade glass lens, and an ESD protective coating, for clean rooms and anywhere else precision inspection is required.

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-Pro products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
