

CARBON STEEL CUTTERS

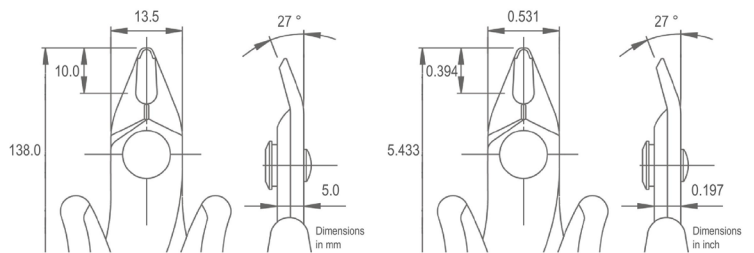

CARBON STEEL

SHEARS CUTTERS

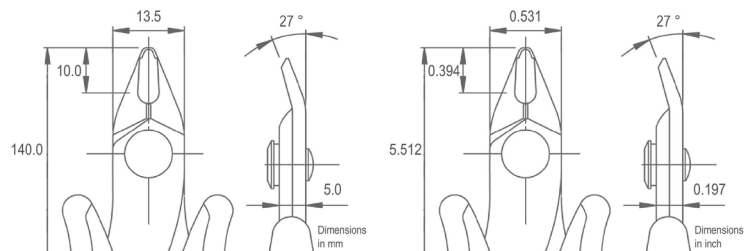

Featuring advanced shearing technology, Carbon Steel Shear Cutters are equipped with overlapping blades that slice through material effortlessly, delivering smooth, distortion-free cuts.

Perfect for delicate tasks like cutting fine wires and intricate electronics, these tools offer the accuracy you need for even the most sensitive jobs.

Built for reliability and long-term performance, the Carbon Steel Shear Cutters empower you to work with confidence, ensuring clean, precise results every time.

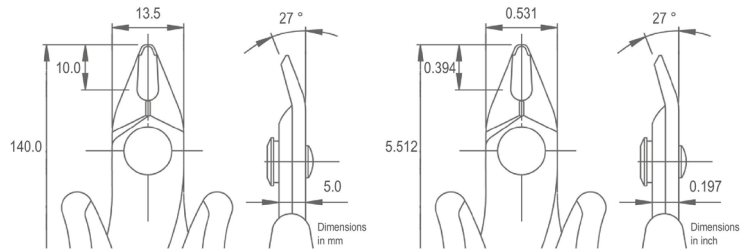

Part Number	Head Shape	Head Size	Head Width	Head Height	Cutting Edge	Cutting Capacity	OAL	ESD
10314496	Shear	Angled Medium	13.5 mm	0.52"	Full-Flush	1.3 mm 16 AWG	138 mm 5.44"	no

CARBON STEEL PLIERS

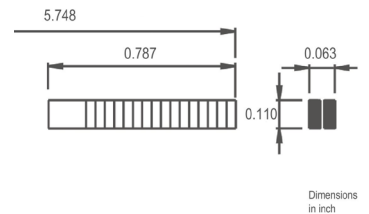

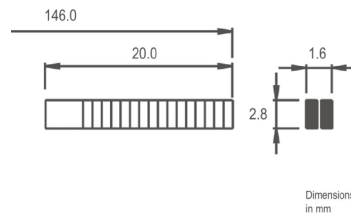

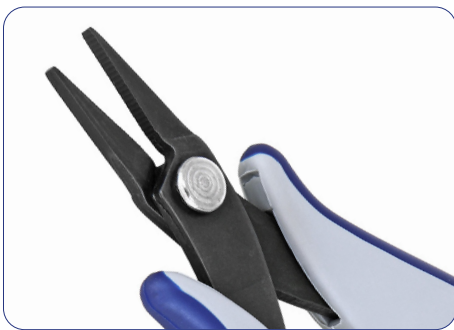

CARBON STEEL PLIERS

The Carbon Steel Pliers line includes needle-nose, flat-nose, and snipe-nose designs, offering smooth or serrated jaws for reliable gripping.

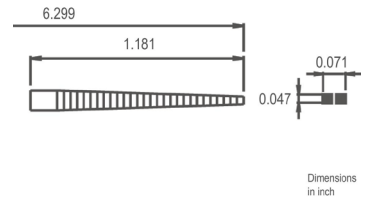

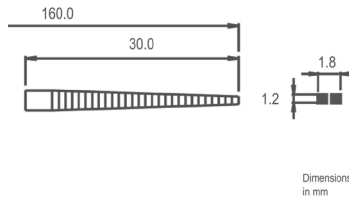

These pliers are perfect for gripping a wide range of components, from general-purpose tasks to delicate electronics work. With their precise construction and ergonomic design, Carbon Steel Pliers ensure reliable performance, making them the ideal choice for professionals seeking accuracy and control in every application.

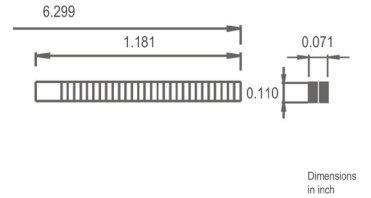

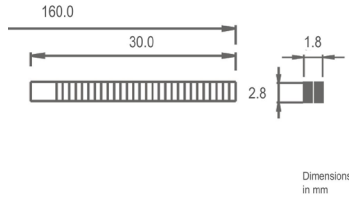

Part Number	Head Shape	Type	Head Width	Jaw	OAL	ESD
10314507	Snipe Nose	Short	13 mm 0.52"	Smooth	146 mm 5.75"	yes

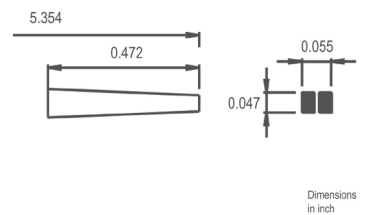

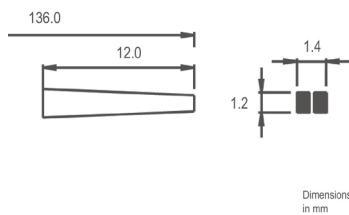

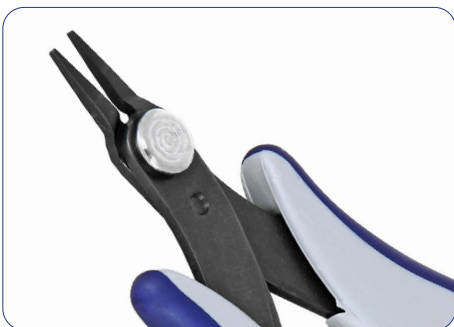

Part Number	Head Shape	Type	Head Width	Jaw	OAL	ESD
10314508	Flat Nose	Short	13 mm 0.52"	Serrated	146 mm 5.75"	yes

Part Number	Head Shape	Type	Head Width	Jaw	OAL	ESD
10314509	Snipe Nose	Long	13 mm 0.52"	Serrated	160 mm 6.30"	yes

Part Number	Head Shape	Type	Head Width	Jaw	OAL	ESD
10314510	Flat Nose	Long	13 mm 0.52"	Serrated	160 mm 6.30"	yes

Part Number	Head Shape	Type	Head Width	Jaw	OAL	ESD
10314511	Needle Nose	Micro	10 mm 0.40"	Smooth	136 mm 5.35"	yes

CARBON STEEL STRIPPING PLIERS

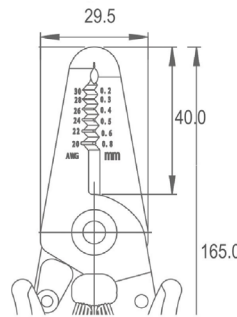

CARBON STEEL STRIPPING

PLIERS

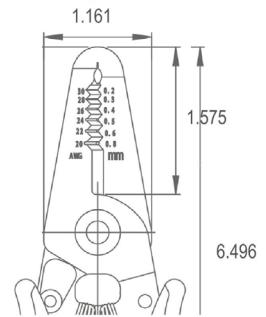

The Carbon Steel Stripping Pliers are a versatile, heavy-duty tool designed for precision wire stripping, cutting, and gripping in electronics applications.

With the ability to strip wires from \varnothing 0.2mm to 0.8mm, these pliers handle multiple diameters with ease. Engineered with 3mm thick steel and equipped with ergonomic, ESD-safe handles, they provide excellent grip and protection in sensitive environments.

Whether you need shears, wire strippers, or pliers, Carbon Steel Stripping Pliers offer a reliable, multi-purpose solution for professionals.
