Product Data Sheet

CPU Repair Tool

TNP100079EA

Product Information

This tool includes one aluminum alloy handle, 27 different, interchangeable blades, and a small plastic case to store everything.

Key Features

- Comes with an aluminum handle, about 13cm long, with textured grains on surface for anti-slip grip.
- The metal blade is surgically sharp with a plastic cap to keep the blade secure in it.
- Easy to replace the blade, just need to rotate the installation end of the handle.
