Product Information

These bent chain nose pliers are made of stainless steel and feature dual leaf springs for smooth action. They are suitable for delicate standard applications and precision work on small components or wires.

- Special stainless steel, Corrosion resistant, High tensile strength, heat-resistant.
- The grips allow precision work close to heat sources.
- PVC Phthalate Free Grips as per California Proposition 65.

»» Techni-Pro

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-Pro products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
