

Product NO. : 10314507

Product type: Carbon Steel Hand tools

Made in: Italy

Description: The PP2002E is a medium Snipe-nose pliers. Its medium size (3mm thick) and the short smooth jaws makes this tool suitable for gripping any type of components. The pliers are equipped with an ESD and ergonomic handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges.

Head description: Short, Snipe Nose

Body material: Carbon Steel (C70)

Body finishing: Phosphated
