

## Product Data Sheet

# High Precision Cutters

758PL5247E

**Product Type:** High Precision Cutters

**Made in:** Italy

**Description:** The 5247 is a high precision cutter belonging to the oblique head cutter family. The angled blade geometry supports the operator's ergonomics during the cut. The full-flush cutting edge is suitable to perform very clean cuts on small size material. The 5247 is equipped with an ESD Ergo-tek handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges. The blades are hardened to 67HRC hardness.

**Head Description:** Oblique

**Cutting Edges:** Full-flush

**Cutting Capacity:** Soft wire 0.1 mm-1.2 mm (38AWG-17AWG)

**Body material:** High carbon-chromium low alloy steel (100Cr6)

**Handle material:** ESD safe - Thermoplastic Elastomer TPE + Polypropylen compound PP
