

## Product Data Sheet

### High Precision Cutters

758PL5342

**Product Type:** High Precision Cutters

**Made in:** Italy

**Description:** The 5342 is a high precision cutter belonging to the small tapered cutter family. This type of geometry and head dimensions offer an advantage to access small areas. The full-flush cutting edge is suitable to perform very clean cuts on small size material. The 5342 is equipped with an ESD Ergo-tek handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges. The blades are hardened to 67HRC hardness.

**Head Description:** Small Tapered

**Cutting Edges:** Full-Flush

**Cutting Capacity:** Soft wire 0.1 mm-1.0 mm (38AWG-18AWG)

**Body material:** High carbon-chromium low alloy steel (100Cr6)

**Handle material:** ESD safe - Thermoplastic Elastomer TPE + Polypropylen compound PP
