

# TECHNI-PRO

## Product Data Sheet

---

Product Number: 758ST016

Model: 1/8" Snap Ground Cord Lightweight 10' Long

### Description:

A single wire Coil Cord used to ground wrist straps and other ESD products. The straight banana plug coil cord has 2.5 mm polyurethane insulation that offers excellent coil memory and a swivel type banana jack increases coil life and prevents cord tangles. The coil cords works in combination with most standard single wire wristbands with a 4mm snaps. Length is 10'. A 1 meg resistor is included for safety.
