

TECHNI-PRO

Product Data Sheet

Product Number: 758ST150

Model: Low Profile Mat Ground Cord, No Resistor, 10mm Male Snap, 10'

Description:

Low profile floor ground easily attaches to floor mats and includes a 10' long black PVC cord made with 7 strand tinsel wire to #10 ring terminal. The molded connection point houses a 10mm stud. The molded dome cap reduces tripping and allows chairs to easily roll over them without getting snagged.

Picture:

Scope: This specification defines the technical requirements for ground cords under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006
