## Product Data Sheet

---

Product Number: 758ST714

Model: Quad Common Point Ground with 10' Cord

Description:

**Quad Common Point Ground provides 4 banana receptacles to ESD items on your work area.** 758ST714 is a workstation ground cord with four banana jack receptacles for secure ground connections for wrist straps. The low profile, molded head has built-in 10mm snap for a secure worksurface attachment. A 15' black ground cord terminate with a standard 1/8" (#10) ring terminal for a solid connection to ground.
