

Product Data Sheet

Product Number: 758ST9358

Model: Wrist Strap, Dual Wire, 1/8" (4mm) Snap, 6 ft. Cord, Black

Description:

Adjustable dual wire blue wrist strap and dual conductor cords provide an additional path to ground. If one conductor fails the second may provide a fail safe while ESDS is disengaged and the cord is replaced. Used with dual wire constant monitors for fail-safe ESD protection. .

Picture:

Scope: This specification defines the technical requirements for wrist bands under the brand Techni-Pro. If not otherwise specified, the grounding snap should meet or exceed the requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006

Application:

Antistatic wrist straps are designed to safely ground *stationary* operators working with ESD sensitive components, preventing a build-up of static electricity

Wrist Straps Only	No
Snap Style	1/8" (4mm)
Plug Style	Stereo
Cord Style	Dual Wire
Wrist Band Material	Conductive weave and stainless back plate
Resistor	Yes
Cord Length	6 ft.
Size	Adjustable
Color	Blue
