Product Data Sheet

KN95 Face Mask, Cleanroom

TNP100111PK

Description

Cleanroom Environment certified KN95 Face Mask. The KN95 mask protects respiratory health with filtration efficiency up to 95%.

Product Features

- Three-Dimensional Protective Mask
- Filtration Efficiency up to 95%
- One size fits all face types
- Adjustable Nose Clip
- Non-woven fabric increases efficiency
- Non-binding
- Collapsible design

Recommended Applications

- Cleanroom Environment
- For Pollen Season
- For Flu Season
- > PM 2.3 pollution
- All manufacturing factory environments

Notes for use

- 1) The nose clip is facing upwards. The side without nose clip is facing the face. Pull one ear band with both hands.
- 2) Put the mask against your chin, pull the ear band behind your ear, and hang it on your ear until you feel it.
- 3) Place the fingers of both hands in the middle of the nose clip and press inward according to the shape of the nose bridge until it is consistent with the shape of the nose bridge.
- 4) When using the hands on the face, check the tightness with the face.
