Product Data Sheet

IC Gripper TNP100212EA

Product Information

The 4-prong grabber tool is specially designed for catching various small parts like hair, food, garbage, or other obstacles that cause a clogged drain. Inside the house, kitchen, bathroom, electrical office, laboratory, etc.

»» Techni-PRO

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.

Technical Details

Material	Stainless Steel
Size	12 cm x 1 cm

Packaging

Part No.	TNP100212EA
----------	-------------

Features

- This 4 claw pickup tool is made of high-quality stainless steel, very good quality anti-corrosion, waterproof, and anti-strong sunlight for long time use.
- Four-claw design allows for smooth clamping and placement of tiny objects like chips or screws, nails, bolts & nuts not easily accessible.
- This gripper tool is used for IC chip, electronic components, hex nuts, jewelry-making accessory gems, plastic/glass beads, small screws, model making, and much more.

Rev. JAN23
