

Product Data Sheet

Solder Assist Repair Tools

TNP100215KT

Product Information

Applicable to integrated circuit assembly and disassembly, precision electronic components, welding, grinding, cleaning, repair and so on.

»» Techni-PRO

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.

Technical Details

Material	Stainless Steel, Aluminum Alloy and PVC
----------	---

Size	Approx max length 185mm
------	-------------------------

Packaging

Part No.	TNP100215KT
----------	-------------

Features

- High quality, professional tools for repair and assembly work.
- Variety of application for holding, removing, cleaning, etc. and for precision work.
- These solder assist tools can be widely used in printed circuit board assembly and maintenance of the welding operation the shape of different terminals.
- Meets the welding operation requirements of press, cutting, scraping, hooks brushes etc.
