

**Thermo Scientific M00-0047-01 VPL80**

**Vacuum Pump, Reliable, High-Performance**

**Lab Equipment Choice**

## **Thermo Scientific M00-0047-01 VPL80 Vacuum Pump**

### **Specifications:**

**Model:** M00-0047-01 (VPL80)

**Type:** Vacuum pump

**Reliable Performance:** Provides consistent vacuum output for a variety of lab tasks

**Compact Design:** Ideal for benchtops or integration into larger systems

**Low Maintenance:** Built for durability with minimal upkeep required

**Application:** Suited for scientific, analytical, and general vacuum applications

**Thermo Scientific Assurance:** Quality backed by a trusted leader in lab equipment

### **Overview:**

The Thermo Scientific M00-0047-01 VPL80 Vacuum Pump offers a reliable and efficient solution for laboratory and light industrial vacuum needs. Designed for steady performance and minimal maintenance, this compact pump is perfect for applications requiring dependable vacuum pressure in a space-saving form factor.
