Outdoor Full-Motion TV Wall Mount with Fully Articulating Arm for 37” to 80” Flat-Screen Displays

MODEL NUMBER: **DWM3780XOUT**

Mounts your 37 to 80 in. television to an outside wall to provide optimal viewing angles.

Features

Outdoor TV Wall Mount Positions Your Monitor at the Perfect Viewing Angle This VESA-compliant full-motion TV wall mount lets you place your outdoor display signage or television where everyone can see it best. It’s ideal for decks, balconies, patios, swimming pools, urgent care facilities, billboards, marquees, hotels, malls, theme parks, transportation hubs and anywhere else people watch a television set or monitor outdoors. It fits most flat-panel TVs from 37 to 80 inches and supports up to 110 pounds (50 kg).

Swivel and Tilt the Screen to Find the Perfect and Most Comfortable Viewing Angle The full-motion articulating arm adjusts independently to optimize viewing angles, minimize glare and improve ergonomics. To minimize screen glare, reduce eye fatigue and increase viewing comfort, the mount features -20° to +10° tilt and -90° to +90° swivel for positioning your screen just right. Easy -3° to +3° screen adjustment lets you quickly find just the right angle without interrupting your day.

VESA-Compliant Mounting Ensures Display CompatibilityVESA (Video Electronics Standards Association) promotes uniformity in the video electronics industry by developing standards for TVs and monitors. For hassle-free display compatibility, this TV wall mount supports the following VESA mounting hole patterns: 200 x 200, 300 x 200, 300 x 300, 400 x 200, 400 x 300, 400 x 400 and 600 x 400. Hardware for mounting on wood or concrete block is included.

Sure to Stand Up Against Weather and Other Outdoor Elements The weatherproof steel frame, high-grade powder-coated finish, stainless steel hardware and wall plate covers are specifically designed to withstand the stress of repeated adjustments and outdoor use. Monitor cables clip to the arm to eliminate clutter and keep your outdoor setting organized.

Highlights

- TV wall mount with articulating arm adjusts viewing angle easily with just a single touch
- -20° to +10° tilt and -90° to +90° swivel helps you find the perfect angle to avoid glare
- Durable steel construction blends into any outdoor décor and supports up to 110 lb.
- Display cables attach to arm to reduce clutter and keep cords organized
- VESA compliance ensures compatibility with most popular mounting hole patterns

Applications

- Mounting a flat-screen television or monitor outside an office building, bar, restaurant, mall or anywhere else outdoor digital signage is desired
- Installing a TV in your patio or pool area that can be easily adjusted to accommodate the comfort levels of the audience

System Requirements

- Flat-screen television or monitor from 37 to 80 in.
