

## Power Cord, NEMA 5-15P to Right-Angle C15 - Heavy-Duty, 15A, 125V, 14 AWG, 8 ft. (2.43 m), Black

MODEL NUMBER: P019-008-C15RA

C15 right-angle power cable connects a PoE network switch or other device with a C16 power inlet in tight spaces or awkward angles.

### Features

**IEC C15 Power Cord for Network Devices That Require a Heavy-Gauge Connection** This IEC C15 power cable features 14 AWG wire suitable for high power connections, making it reliable for large server applications that require a higher-rated, heavier-gauge cable. The C15 connector is designed for higher-temperature devices, such as electric kettles, PoE (Power over Ethernet) switches with high-wattage power supplies, and similar network components. This cord can also replace or upgrade the standard power cord provided by the device's manufacturer. The 8-ft. (2.43 m) length allows you flexibility in placing equipment with respect to the power outlet.

**Right-Angle C15 Plug Makes Connecting in Tight Spaces Easier** The C15 right-angle power cable is easier to install in confined spaces, such as the back of a rack enclosure cabinet. When plugged in, the right-angled C15 plug guides the cable parallel to your peripheral, allowing you to push the device up against a wall or hide it behind a desk to maximize space.

### Highlights

- Right-angle C15 plug allows easier connection in confined or hard-to-reach spaces
- Recommended for powering PoE switches with high-wattage power supplies
- 8-ft. (2.43 m) length allows flexibility in placing devices in relationship to AC outlet
- NEMA 5-15P to C15 cable replaces or upgrades original manufacturer's power cord
- Thick 14 AWG wire gauge manages high power levels required for larger equipment

### Applications

- Connect devices like high-wattage PoE switches to a PDU up to 8-ft. (2.43 m) away in your data center
- Extend an existing power connection up to 8-ft. (2.43 m) to more easily place a device or reach a power source
- Update or replace the standard power cord provided by a device's original manufacturer
