

HDMI Send/Receive Pass-Through Wallplate, White (F/F)

MODEL NUMBER: **P166-001-P**

Highlights

- Feed Through HDMI Wallplate
- Helps keep Home Theater installations clean
- HDMI v1.3 and HDCP compliant

Package Includes

- HDMI Send/Receive Pass-Through Wallplate

Description

With Tripp Lite's HDMI Send/Receive Pass-Through Wallplate, you can now hide that HDMI cable that's connected to the Flat Screen HDTV hanging on the wall, by running the cable behind the wall and into the back of the faceplate. Then connect a cable from your DVR or SAT box into the front of the faceplate - no unsightly cable dangling down from your TV. If your DVR or SAT box is located a long distance from the HDTV, use Tripp Lite's P166-001-A, Active wallplate with signal booster.

Features

- Cleans up Home Theater installations by hiding HDMI Cables
- Simple Feed-Through design
- Standard electrical outlet size
- HDMI Female/Female connection
- HDMI v1.3 and HDCP Compliant
