

Item No: D550PK
Gun, Weller® Professional Dual-
Watt Soldering Kit, 200W/260W,
120V

The perfect soldering gun for bringing professional quality and efficient heat to the serious hobbyist user, the Weller D550 heats in just 6 seconds. Heat the gun to 1100°F and solder heavy-duty hobbyist applications quickly, then switch to one of the included specialty tips to handle a range of soldering jobs.

RECOMMENDED FOR FOLLOWING APPLICATIONS

KEY FEATURES

Solder. Smooth. Cut.:	Soldering Gun comes with an assortment of high quality, genuine Weller tips that are optimally designed for heavy-duty soldering, cutting, and smoothing applications
Better Visibility:	Focused bright LED light provides illumination for improved visibility in low-light environments
Dual Power Trigger:	Soldering Gun delivers two levels of power for your soldering task needs, both deliver heat up to 900 °F. When full 260 Watt power is needed, pull the trigger halfway. When medium-high 200 Watt power is needed, pull the trigger fully

TECHNICAL DATA

Tip Size	xx
Packaging unit	1
Temperature range (depends on tool) °F	900 - 1100
Temperature range (depends on tool) °C	482 - 593
Weight in g	1905
Tip range	7250/6150/6160
Heating time (approx.) in seconds (50–350 °C/120–660 °F)	6 s
Voltage	120 V
Power	260 W / 200 W
