

840/1 Z Sets SB, 3 pieces

Bits for Hexagon Socket Screws

EAN:	4013288029607	Size:	100x60x10 mm
Part number:	05073342001	Weight:	21 g
Article number:	840/1 Z Set SB SIS	Country of origin:	CZ
		Customs tariff number:	82079030

- For socket head screws
- Hex-Plus allows socket head screws to live longer
- Ductile and tough for hard materials
- 1/4" hexagon drive (Wera connecting series 1)
- In a practical 3-piece set

Tough viscous Wera bits for hexagon socket screws in a practical 3-piece set, for universal use. The Hex-Plus profile offers a greater contact surface in the head of the screw. The notching effect is therefore reduced to a minimum and damage to the screw head more or less eliminated. 1/4" hexagon, suitable for holders as per DIN ISO 1173-D 6.3.

840/1 Z Sets SB, 3 pieces

Bits for Hexagon Socket Screws

Set contents:

840/1 Z bits, 2 x 25 mm

05056305001	1x	2 x 25 mm
05056310001	1x	2.5 x 25 mm
05056315001	1x	3 x 25 mm

Hex-Plus

Hexagon socket screws are a problem, because the contact surfaces that transfer the force of the tool to the screw are very narrow. The consequence: the head of the screw can be damaged, usually rounding out the recess. Hex-Plus tools have larger contact surfaces to prevent this, driving from the flats of the recess, rather than the corners. Good to know: Hex-Plus tools fit into every standard hexagon socket screw!

Tough-absorbing bits

Tough-absorbing Wera bits (Z) prevent any premature breakage of the drive tip.
